### Patient and Family Advisory Council

We are in the process of forming Grants Pass Clinic's FIRST Patient and Family Advisory Council, also known as a PFAC, this council will be made up of several members of Grants Pass Clinic staff along with some of our patients, their families, and/or their caregivers. The purpose of our council will be to improve the delivery of services and enhance patient and family-centered care within our clinic. If you are interested joining our PFAC, please talk to your primary care provider or a member of your care team.

## Grants Pass Clinic welcomes our newest primary care provider!

Mr. Cielinski received his Masters of Physician Assistant Studies at Rocky Mountain College in Billings, Montana. He is board certified by the National Commission on Certification of Physician Assistants. Mr. Cielinski enjoys getting to know his patients and their families and being involved in our community. He began his practice at Grants Pass Clinic on January 16, 2017.
